WHERE'S THE FIRE (CORPS)?

2022 Governor's Volunteer Service Award for Service to Community

It is with GREAT PRIDE that I get to congratulate you that you, the members of the Green Valley Fire Corps, have been selected to receive the **Governor's Volunteer Service Award for Service to Community**. This event will stream via zoom so each of you will be able to watch from wherever you are on May 2, 2022. There will be more details coming including the link which will be sent out prior to the event. The actual ceremony will be held at the Executive Tower of the Arizona State Capitol in Phoenix.

What's New? Who's New?

Who is that guy? What does she do? I recognize that name but I have never met him/her. Let's get to know each other by attending the All-Volunteer Drop-in at Triple Play 1570 W. Duval Mine Road in Green Valley on Thursday, April 21 530 -730 PM. Food and Drink will be available for purchase.

Fire Corps Members Making a Difference

Our members are simply remarkable. A special thanks to **Dick Wheeler, George Johnson, Brian Gooch, and Cathy Hooper** for their assistance at the memorial service of Captain Lane.

Notes from in the field: Lance did all of it alone. Changed batteries that were very high up, he did a great job and very quickly as well. It was good to get the batteries up to date again. **Jim** and **Dick** were most courteous and efficient. They brightened up my afternoon. **Marty** and **Jim** were very professional replacing our batteries in our detectors. **Dave** and **Dick** were very professional. **Jim** and **Dick** provided a valuable

service available and needed in Green Valley. Thanks for what you do to keep us safe! **Chuck** and **Bob** showed competence and attention to detail including reminding us to check CO2 alarm. This is a great and appreciated service. Thank you. We, in Green Valley, are blessed with the best fire department and volunteer crew! We so appreciate you. Thank you. The **Fire Corps** gave us excellent service and information! You guys are always, kind, courteous, timely and provide services above and beyond. You keep citizens safe and off of step ladders. Thank you for providing this wonderful service. **Maureen** and **David** were excellent, very professional and helpful. Green Valley Fire Department is always top notch, no matter what it is we're calling them for. We have lived here for 21 years and we always have had outstanding service. We appreciate all you do. Today **Marty** and **Jim** changed the batteries in our smoke alarm. They were fast and efficient. Thank you, **Jim** and **Dick**. You did a great job!! **Steve** and **Mike** were professional, knowledgeable and very pleasant. They are an asset to your service organization. Many thanks to them and the Green Valley Fire Dept. **Dave** and **Chuck** were excellent, explained additional services available to us. They replaced the batteries in smoke alarms carefully and in a timely fashion. Thanks again **Dave** and **Chuck**. Very prompt, efficient and friendly. Highly commend **Marty B** and **Jim H**! KUDOS to the fellas that came to change our batteries. **Chuck** and **Dave** did a fine job! Our Fire Department really cares about the residents. It is wonderful not to have to worry

about battery tweets in the night. Thank you for taking such great care of us! **Jim** and **Marty** were both personable and professional. Thanks for the great service! Great service by **George** and **Maureen**. They were friendly, personal, and very professional. **George**, **Maureen** and **Daniel** did a wonderful job. What an amazing crew. **John** and **Jim** were great! Us seniors are so lucky to have this service-sure beats falling off a ladder! Thank you so much. **Steve** and **Mike** arrived on time and worked very efficiently to install new smoke alarms in my house. The gentlemen were extremely pleasant installing the new alarms. **Jim** and **Dale** were prompt, friendly, and efficient with their replacement of smoke alarm batteries! Most pleased!!! The Fire Corps team provided comprehensive service in replacing batteries, checking smoke detectors. They shared information on lockboxes and an "Envelope of Live". These were services that we were happy to learn about. Overall Fire Corps provided important assistance that we could not easily obtain elsewhere. The program is great. **Rick** and **Martin** were polite, professional, and efficient. They knew a lot about our older detectors and had advice about maintaining them. Thank you so much! Polite, respectful, friendly, and helpful individuals. **Rick** called before they were to arrive which is appreciated. **Dale** and **Anne** were very nice, and visited with me. **Maureen** and **David** were very polite, on time and nice to interact with.
