

March 2022

WHERE'S THE FIRE (CORPS)?

Who's New?

It is with great pleasure we welcome Steve Ball, Charlene Brandt-Nielsen, and Vince Capizzano (previously introduced without a photo) to Fire Corps. Many of you had the opportunity during training to meet Beverlee Ramos who is working at the GVFD District Office across the parking lot.

RSVP for the Fire Corps Luncheon:

It is that time of year where we celebrate you, the members of Fire Corps. Join us for lunch on March 26 from Noon – 3 PM at the Quail Creek Country Club. We will have live entertainment starting at noon, an open dance floor, and a cash bar. Lunch will be served at 1 PM followed by recognition of you, our volunteers. You will need to RSVP by March 15, 2022 to pmcconnell@gvfire.org If you are a member of Fire Corps, your meal cost will be FREE. Please let us know if you will be bringing a spouse or a guest. Their cost will be \$20. We will also need to know what your meal choice will be:

1. Chicken Bruschetta, Rosemary Roasted Potatoes, seasoned vegetables, and dessert **or**
2. Tilapia Picatta, Garlic & Herb Rice Pilaf, seasoned vegetables, and dessert

Fire Corps Luncheon March 26, 2022 12 – 3 PM Quail Creek Country Club
Free for members, \$20 per guest

Informal Fire Corps and CERT Get Together Thursday, April 21 530 -700 PM
Triple Play Banquet Room – Food and Drink available for purchase

Fire Corps Members Making a Difference

“Great service by Fire Corps. We are never disappointed. **John** and **Gary** replaced our batteries in our alarms. On a 1-10 scale they were a 20+.” “WOW! Could not have been more accommodating, pleasant and informative! Unbelievable!!!! Thank you, tons for this fabulous service with two wonderful gentlemen. (No, I do not know these fellows, I just appreciate what they do!!!). **Vinny** and **Lance** were great! They are so efficient!” “Great job by **Sue** and **Anne**. So nice to see 2 gals that obviously know how to get the job done. They were so careful moving the big ladder around without touching any walls. They give a 5 Star experience.” “**Chuck, Bob, and Nancy** (GV Fire Board Member) were knowledgeable, professional, and went the extra mile. Thank you for offering this Vital service.” “**Dave** and **Karen** were professional, informative, and courteous.” “One could not ask for better service. Special Gold Stars and Blue Ribbons to **Anne** and **Vinny** for such timely, excellent, and helpful service! I appreciate their professional, patient, and warm friendly manner as they helped me. I highly recommend them!”

Steering Committee

The last Steering Committee Meeting was held on February 22, 2022 at 2 PM at the Green Valley Fire District Headquarters. During that meeting, it was decided to raise the total number of batteries and/or alarms for a two-man crew from 24 – 28 with 6 appointments. Personnel working a solo shift will remain at four appointments unless they specifically request more.

Public Notices

As Fire Corps Field members one of the tasks that we perform is the posting of public notices at stations 151, 153, and 155. At stations 151 and 155 the practice for us has been to tape them to the inside of the door windows. You may have noticed recently that on the outside, near the door, there is now a locked message board. We are able to open the message board door to post new notices and remove the old, the key to the message board may be found in the captain's office hanging from the middle top of the board. Station 153 notices are posted on the bulletin board in the public access area – enter from the north door in the mail/computer room. Make sure this door is locked when you leave.

Supplies for other stations may be under the mail boxes at station #153. These supplies use to set on shelves in the fleet bay. Please double check during the mail run.
