WHERE'S THE FIRE (CORPS)?

Fire Corps Members Making a Difference

Both volunteers, **Jim** and **Steve** were kind, courteous and worked in a timely fashion. We very much appreciate what they did. **John** and **Dan** were very efficient and friendly. **Bonnie** installed our new smoke alarms. Thank you, **Bonnie**. **Mike** and **Denny** were helpful installing our new lock box. **Susan** helped ensure my appointment was scheduled and the men showed up when scheduled. **Dan** and **John** were very knowledgeable about smoke alarms. **George** and **Kathleen** changed out the batteries in my 4 alarms in a short time and were very respectful of my property. Thank you both. The smoke alarm guys are the best! **Clem** and **Bob** were wonderful. This is such a wonderful service that the Fire Department provides to us widows and senior citizens. **Carol** and **Dave** were on time and very efficient. **Carol** and **Dave** were very professional, friendly, and helpful. Thank you for this service. We appreciate your volunteers. **Jim** and **Steve** efficiently changed our smoke alarm/carbon monoxide detector batteries. Thank you for sending **Jim** and **Steve** to update our smoke alarms. **Dave** and **Carol** were helpful, cheerful, and did their jobs well and quickly. **Dave** and **Carol** did an excellent job. They found all three of my smoke alarms were out of date. They replaced old units with 3 new ones.

George & Kathleen were very quick and efficient. We are grateful for the battery replacement service for our smoke alarms. In a community where many of us have no business on a ladder, this program is brilliant! **Tom** and **Bob** from Fire Corp just left my home after changing out two alarms and all the batteries. **Tom** and **Bob** are pleasant, informative, and excellent ambassadors for the fire department. Thank you.

Dave and **Carol** provided a wonderful experience. They replaced 5 smoke detectors, timely and friendly service. **Bob** and **Tom** were efficient and professional. My 4 batteries got replaced within 30 minutes or less. Stefi, my

standard poodle, was very impressed with their service. **Bob** and **Clem** were good and nice. **Steve** and **Tom** were great. **Steve** and **Tom** were friendly, efficient, and knew what they were doing. A pleasure to have this service available. **Bob** and **Clem** were efficient and friendly. My husband and I enjoyed them immensely. **Bob** and **Tom** were wonderful. Courteous, respectful, competent! **Dave** and **Clem** were thoroughly professional and very pleasant. They explained everything and left me feeling very confident about fire safety in my house. Excellent – The team called to give me heads up that **Dave** and **Clem** will be here in 10 minutes. This is the second time we've benefited from GVFD services; earlier this week, they removed a rattlesnake from our patio. I didn't get the names of the snake wranglers, but **Steve** and **George**, who changed our smoke detector batteries, were very personable. How lucky we are to have you all!
