WHERE'S THE FIRE (CORPS)?

Fire Corps Members Making a Difference

GVFD can be very proud of their Fire Corps. They provide an invaluable service to the greater Green Valley Community. **Dennis** did a great job of replacing our smoke detectors. **Dennis** was wonderful and so was **Chief Moore**. We are blessed to live in Green Valley. This is the single best service experience of my life from a public agency. True public servants. Service Beyond Excellent! **John** and **Dan** were great! I would recommend service to others. **Dan** and **Carol** were on time and installed new smoke detectors very quickly and efficiently. Very pleased. **Jim, Mitch,** and **Karen** - excellent team. A pleasure to meet you all. Very efficient service. **Clem** and **Karen** did a very good job changing and explaining the new fire alarms. Glad to meet **Dennis**, he did a great job. Glad for the service. **Dennis** was on time, fast and competent! **Steve** and **Tom** provided Great Service and attention to detail. Thank you. **John** and **Dan** did a super job and were fun to chat with!! **John** and **Dan** came to our home as part of the smoke alarm and battery program and could not have been more professional. They inspected our alarms and changed the batteries. They answered all of our questions and provided information about other programs available to us in Quail Creek. They had good humor, and we were very pleased with the job they did. Excellent!! This is a great service to our community. Thank you so much. **Dennis** was efficient, friendly, and prompt, does it get any better? I don't think so! Great service! **Dave** and **Bob** came to our home. They were friendly and efficient, answered questions, and we could not be more pleased with the experience. Thank you for providing this service to the community. **Dave** and **Bob** replaced all of our Smoke Detectors. They were courteous, professional, knowledgeable, and efficient. This is a great service GVFD provides.
